EXPLANATORY NOTES:**Directors' remuneration – resolution 2:**

Under the Law, Guernsey-registered companies are not required to publish a Directors' Remuneration Report. However, in consideration of best practices in corporate governance the Company has included details of its Directors' remuneration within the Annual Report and Accounts for the year ended 31 March 2017 and an ordinary resolution will be proposed seeking shareholder approval of the Directors' remuneration. This is an advisory rather than a binding vote.

Re-election of Directors – resolution 3:

Pursuant to the AIC Code of Corporate Governance (Guernsey edition), as amended from time to time (the "AIC Code"), all Directors should be subject to election by shareholders at the first AGM after their appointment, and to re-election thereafter at intervals of no more than three years.

The Board has adopted a policy to stagger the proposals to re-elect individual directors and Mr Legge has offered himself for re-election at the 2017 AGM.

Having undertaken an evaluation of the performance of the individual Directors, the Board considers that each of the Directors proposed to be re-elected as a Director of the Company is and will continue to be an effective Director given that they each have the relevant experience and skills to allow them to effectively contribute to the risk management and portfolio management functions of the Board in respect of the Company, and in light of their continuing demonstration of commitment to their respective roles.

As disclosed in the prospectus published by the Company on 16 December 2016 (the "Prospectus"), the Company currently complies with the principles of good governance contained in the AIC Code and has determined that each of the Directors is independent in accordance with such principles.

The selection of the Board by the Company was based on the Directors' complementary skill sets and experience, as set out in more detail in the biographies contained in Part 4 of the Prospectus and on pages 52-53 of the Annual Report and Accounts for the year ended 31 March 2017. The process involved interviews and questionnaires to determine suitability for the role.

Re-appointment and remuneration of the Auditors – resolutions 4-5:

Shareholders are asked to vote on the re-appointment of Deloitte LLP as the Company's Auditors until the conclusion of the next AGM to be held in 2018, and to grant authority to the Directors to determine Deloitte LLP's remuneration for their services as Auditors to the Company in respect of their next period of office.

Approval of interim dividends – resolution 6:

In line with corporate governance best practice, the Board wishes to afford the shareholders the ability to approve the interim dividends the Company has paid in this financial year. As such interim dividends have already been declared and paid, this is an advisory rather than a binding vote.

Scrip dividends – resolution 7:

This resolution allows the Directors to offer shareholders the right to elect to receive further Ordinary Shares, credited as fully paid, instead of cash in respect of all or any part of any dividend (a scrip dividend). The Directors believe that the ability for shareholders to elect to receive future dividends from the Company wholly or partly in the form of new Ordinary Shares in the Company rather than cash will benefit the Company as it will benefit from the ability to retain cash which would otherwise be paid as dividends. It may also benefit certain shareholders depending on their tax status.

Market acquisitions – resolution 8:

This resolution renews the share buy-back authority that was given by the Company's shareholders on 17 August 2016. Resolution 8 gives the Company authority to make market acquisitions of the Company's own Ordinary Shares, up to a maximum of 14.99 per cent. per annum of the Company's Ordinary Shares in issue (as at the time immediately following the passing of the resolution) and subject to minimum and maximum purchase prices as set out in parts b. and c. of resolution 8. This authority will only be invoked if, after taking proper advice, the Directors consider that benefits will accrue to shareholders generally.

In normal market circumstances the Directors intend to favour pro rata capital distributions ahead of Ordinary Share repurchases in the market, however, if the Ordinary Shares have traded at a significant discount to net asset value for a prolonged period the Board will seek to prioritise the use of net income after the payment of dividends on market repurchases over other uses of capital. If the Board does decide that the Company should repurchase Ordinary Shares, purchases will only be made through the market for cash at prices below the estimated prevailing net asset value per Ordinary Share where the Directors believe such purchases will result in an increase in the net asset value per Ordinary Share.

Disapplication of pre-emption rights – resolution 9:

This resolution, a standard resolution for investment companies listed under Chapter 15 of the UK Listing Rules, renews the authority given to the Directors by the Company's shareholders on 17 August 2016 to allot Ordinary Shares for cash without first offering them to existing holders on a pro rata basis. The number of shares allotted under this power must be less than 10 per cent. of the number of Ordinary Shares admitted to trading on London Stock Exchange plc's main market for listed securities immediately following the passing of this resolution.

The Directors do not currently intend to issue shares pursuant to the authority granted by resolution 9 other than to take advantage of opportunities in the market as they arise and only if they believe it would be advantageous to the Company's shareholders to do so. The Directors confirm that no issue of new shares will be made pursuant to the authority granted by resolution 9 unless the lowest market offer price of the Ordinary Shares is at least a premium to the latest published net asset value.

Note from the Board:

Members are requested to submit their votes in respect of all of the resolutions proposed in this Notice of AGM. It is the recommendation of the Board that members vote in favour of each resolution on the basis that the Board considers their passing to be in the best interests of the members as a whole.

Each of the Directors is also a member of the Company, and each intends to vote in favour of all resolutions (other than the resolution in respect of his or her own re-election, if applicable) proposed in this Notice of AGM. Their holdings as at the date of this Notice of AGM are as follows:

	Ordinary Shares of no par value each held	Percentage of total issued share capital
Richard Morse	83,042	0.024%

Peter Neville	29,896	0.009%
Christopher Legge	29,896	0.009%

Pursuant to the Articles, on a show of hands every member (being an individual) present in person or by proxy or (being a corporation) present by a duly authorised representative shall have one vote on a show of hands, and one vote per Ordinary Share on a poll (other than the Company itself where it holds its own shares as treasury shares).
